

Q Mrs. Gregory, do you recall signing a deed from you and your husband to Everett Moxley? A. Yes, sir.

Q What was your intention at the time of signing that deed as to amount of property conveyed?

(Mr. DeLauter) I object to the question.

A Well, to my estimation it was around 17 or 18 acres.

Q Was it or was it not your intention at that time to convey the tract on which is located the residence?

A Yes.

Q Do you remember how much was paid by Everett Moxley for the property conveyed by that deed?

A \$2,000.00, as well as I remember.

Q And what was done with that money?

A We bought another place, bought a car, and the other I don't know what we did with it, but I do know we bought a place and a car.

Q From whom did you buy that place?

A Thomas Burdette.

Q Was that in Frederick County? A. Yes.

Q Was that purchased soon after you had signed the deed?

A I would say between a year and two years.

Q In your opinion as one of the owners of the tract conveyed to Everett what was the value of the entire tract? At that time, I mean. (Mr. DeLauter) I object).

A I would say around \$2,000.00.

Q Did Everett live in the same house with you and James Moxley? A. Yes.

Q Was that prior to the execution of this deed?

A That was before, yes.

Q And about how long before was it?

A Oh I would say he lived there with us for about three or four years, maybe longer than that.
